(Parents/Guardians/Caregivers)

- 1) Log on to our registration portal at reg.fursquared.com

- 3) Click "Next"
- 4) Under "Your Badge", type in whatever the attending person wants their badge to be. Do NOT put what the Parent/Guardian/Caregiver wants, as this will be done at a later step.
- 5) Select an attendee level and, if desired, the pronouns of the attending person.
- 6) Click "Next"
- 7) Click the slider to indicate that you agree to the Code of Conduct to attend. And, optionally:

- 8) Click "Next", Fill out the Emergency Contact information. (This can be the information of accompanying Parent/Guardian/Caregiver or another individual.)
- 9) Click "Next", Complete payment information and Click "Next" to complete the purchase.
- 10) Check the email used previously for an email from registration@fursquared.com with the subject "FurSquared Registration Ticket" This email will list the badge name provided, as well as the badge number and a QR code that will be used to check-in at FurSquared.

Make sure that the attending person, or the parent/guardian/Caregiver, has access to that email when they arrive to pick up the attendee's badge from the Registration desk at FurSquared. It is at this point where the attendee can ask for a Companion badge for up to 2 (two) parent or legal guardians (18 years old or older), OR 1 (one) for their accompanying Caregiver. The Parent/Guardian/Caregiver must be present during this badge pickup process as this is the only time we can add the Companion Badge.

Thank you and enjoy FurSquared!
